

Dear Parent/Carer,

We are fast approaching the end of what has been a very turbulent academic year. I would like to begin by commending the work ethic and resilience of each and every student in Year 13; our students have responded to the many challenges presented with commitment, humour and incredible spirit. The life skills developed to cope with everything they have had to deal with, will serve them well in the future.

A Level Results Day

We have had clarification from Ofqual that the A level & Vocational results will be emailed directly to your son/daughter at 8:30 am on Tuesday 10th August, using their school Office365 account. It will only include their results, as we are not the authors of the email. The NT6 Team will be available from 8:30am in school to assist with any help and support you may need with university places or advice about next steps. Please call 01637 872080 ext.2227 to arrange to come in to Sixth Form or arrange a Teams meeting.

Appeals Process

As you are probably aware, the school has submitted the final subject grades this year based on students work and assessments gained over the two years. A huge amount of time and effort has gone into ensuring that these are fair and representative of each student's ability in every subject.

There is a process of appeal for the grades awarded this year. If you have any questions or wish to make an appeal having spoken to us, you will need to formally contact the school to ask for this process to begin. A link to the appeals process, can be found on page 9 of the document below: <https://tretherras.net/summer-assessment/>

Despite all the disruption endured this year the Class of 2021 has shown what can still be achieved by a very capable group. It was a shame we could not have a Prom this year, but it was still lovely we could all celebrate together at the 'Last Supper'. We are intending on hopefully organising and running the KS5 Awards Evening this year. It is provisionally scheduled for Thursday 16th December and a letter nearer the time will be sent with the exact details of the evening. It has been a privilege to be their Head of 6th Form and I wish them every success with their future endeavours.

Yours sincerely

Andy Booth

Director of 6th Form
