

NT6 Dress Code Policy

Sixth Formers in a school which is 11 -18 are in an unusual position. They have privileges and freedoms that are not granted to those in Year 7 – 11. It is important that sixth form students are sensitive to our school community and set a good example to our younger students.

Students need to be suitably dressed for study. Smart clothing comes in many forms, and in cases of uncertainty, 6th team have the final say but a common-sense choice of jeans, trousers, t-shirts, shirts, shorts, trainers or shoes will be acceptable.

Please, DO NOT wear the following:

- Upper body clothing which is too revealing. No significant midriff showing.
- Shorts and skirts should be no shorter than relaxed arm's length at the side of the body.
- Clothing with inappropriate slogans.
- Shoes with very high heels.

Students who are not considered to be dressed according to this policy may be asked to go home and change, particularly if a verbal warning has previously been given.

The Sixth Form Team
